Notice

Information supplied by applicants is kept electronically and securely within our clinic database and will not be supplied to any third parties.

We would be delighted to welcome you to Malta and to our Training Facility, which is currently based at St. Julian's Centre, St. Julian's. We boast decades of international experience and specialist training as well as a strong focus on best-practice as well as an adherence to the evidence-base in considering wellbeing and mental health. Our Erasmus training has consistently received a 5 star rating and we will ensure to work with dedication and commitment on all our future training.

After submitting the application kindly await our communication before booking flights or making other travel arrangements. While we try our utmost to run all the training advertised, we need to meet minimum numbers before finalising dates and fully confirming training.
